BEACH RESORT

WINE & DINE

Watermark Beach Resort and Orofino have created a terrific partnership over the past few years. This relationship has developed into a joint venture of two specific and exclusive wines created just for Watermark. Under the guidance of Orofino winemaker John Weber, the Watermark team has constructed a white wine and a red wine perfectly suited to the food and ambience of Watermark Beach Resort in Osoyoos.

Available exclusively at the Restaurant at Watermark
